

Lecture 4

We're going to start with future plans

We two kind of future plans:

- ➔ Future plans and intentions.
- ➔ Future predictions

~~~~~

☛ Future plans and intentions:

We use it when we have plan

Going to + verb ( be = is , am , are )

E.g.: we're going to paint our bedroom tomorrow.

☛ Future predictions:

We use it when we decide to do something now at the time of speaking.

Will + verb or be going to + verb ( be = is , am , are )

E.g.: Tomorrow will be hot and sunny.

And that's it

See you in the next lecture
