

Lecture 5

We're going to start giving advice

We can use a lot of phrase:

- ➔ Should
- ➔ Ought
- ➔ Had better
- ➔ Advice
- ➔ Recommend

But the most common word we use it (should)

E.g.: you should study very well these days.

E.g.: if you feeling unwell you should see a doctor.

E.g.: the kids shouldn't spend so much time in front of the TV.

And that's it

See you in the next lecture
