## **Thesis Statement**

### **Title :**

**Practicing & Improving Practically The speaking Skill of English Language in Saudi Secondary Schools**

### **Description :**

**In common, we know that speaking skill is not practiced during the study levels in Saudi schools and for sure never practiced in some. Since It is the most important material in learning the English language ,the best and the fastest way in communications . So, in my research I will focus on how we would practice and improve the speaking skill especially in the Saudi secondary schools and how To avoid the confidence phenomenon and Try to become less hesitant and more confident**

### **Methods and Tools :**

**Main tools used in this research would be a survey on how to find the best ways to improve speaking skill of English language and how to overcome the obstacles that teachers and students face.**

**We would do questionnaires to students and teachers why not and what possible ways to make special lessons to practice the speaking skill and how not to be shy and to be more confident .**
