

1) Place of articulation of These sound [p] is

- **Bilabials**
- Labiodentals
- Dentals
- Alveolars
- Palatals
- Velars
- Glottals

2) Place of articulation of These sound [k] is

- Bilabials
- Labiodentals
- Dentals
- Alveolars
- Palatals
- **Velars**
- Glottals

3) Place of articulation of These sound [t] is

- Bilabials
- Labiodentals
- Dentals
- **Alveolars**
- Palatals
- Velars
- Glottals

4) Place of articulation of These sound [d] is

- Bilabials
- Labiodentals
- Dentals
- **Alveolars**

- Palatals
- Velars
- Glottals

5) Place of articulation of These sound [v] is

- Bilabials
- **Labiodentals**
- Dentals
- Alveolars
- Palatals
- Velars
- Glottals

6) Place of articulation of These sound is

- **Bilabials**
- Labiodentals
- Dentals
- Alveolars
- Palatals
- Velars
- Glottals

7) Place of articulation of These sound [g] is

- Bilabials
- Labiodentals
- Dentals
- Alveolars
- Palatals
- **Velars**
- Glottals

8) Place of articulation of These sound [f] is

- Bilabials
- **Labiodentals**
- Dentals
- Alveolars
- Palatals

- Velars
- Glottals

9) Place of articulation of These sound [s] is

- Bilabials
- Labiodentals
- Dentals
- **Alveolars**
- Palatals
- Velars
- Glottals

10) Place of articulation of These sound [m] is

- **Bilabials**
- Labiodentals
- Dentals
- Alveolars
- Palatals
- Velars
- Glottals

11) Place of articulation of These sound [ð] is

- Bilabials
- Labiodentals
- **Dentals**
- Alveolars
- Palatals
- Velars
- Glottals

12) Place of articulation of These sound [h] is

- Bilabials
- Labiodentals
- Dentals
- Alveolars
- Palatals
- Velars

- **Glottals**

13) Place of articulation of These sound [ŋ] is

- Bilabials
- Labiodentals
- Dentals
- Alveolars
- Palatals
- **Velars**
- Glottals

14) Place of articulation of These sound [z] is

- Bilabials
- Labiodentals
- Dentals
- **Alveolars**
- Palatals
- Velars
- Glottals

15) Place of articulation of These sound [θ] is

- Bilabials
- Labiodentals
- **Dentals**
- Alveolars
- Palatals
- Velars
- Glottals

16) Place of articulation of These sound is b

- **Bilabials**
- Labiodentals
- Dentals
- Alveolars
- Palatals
- Velars
- Glottals

17) Place of articulation of These sound [j] is

- Bilabials
- Labiodentals
- Dentals
- Alveolars
- **Palatals**
- Velars
- Glottals

18) The sound [p] is described as:

- **Stops or plosives**
- Fricatives
- Affricates
- Nasals
- Liquids
- Glides/semi-vowels

19) The sound [m] is described as:

- Stops or plosives
- Fricatives
- Affricates
- **Nasals**
- Liquids
- Glides/semi-vowels

20) The sound [i] is described as:y

- Stops or plosives
- Fricatives
- Affricates
- Nasals
- **Liquids**
- Glides/semi-vowels

21) The sound [y] is described as:

- Stops or plosives
- Fricatives
- Affricates

- Nasals
- Liquids
- **Glides/semi-vowels**

22) The sound [f] is described as:

- Stops or plosives
- **Fricatives**
- Affricates
- Nasals
- Liquids
- Glides/semi-vowels

23) The sound [r] is described as:

- Stops or plosives
- Fricatives
- Affricates
- Nasals
- **Liquids**
- Glides/semi-vowels

24) The sound [b] is described as:

- **Stops or plosives**
- Fricatives
- Affricates
- Nasals
- Liquids
- Glides/semi-vowels

25) The sound [ch] is described as:

- Stops or plosives
- Fricatives
- **Affricates**
- Nasals
- Liquids
- Glides/semi-vowels

26) The sound [t] is described as:

- **Stops or plosives**

- Fricatives
- Affricates
- Nasals
- Liquids
- Glides/semi-vowels

27) The sound [n] is described as:

- Stops or plosives
- Fricatives
- Affricates
- **Nasals**
- Liquids
- Glides/semi-vowels

28) The sound [k] is described as:

- **Stops or plosives**
- Fricatives
- Affricates
- Nasals
- Liquids
- Glides/semi-vowels

29) The sound [th] is described as:

- Stops or plosives
- **Fricatives**
- Affricates
- Nasals
- Liquids
- Glides/semi-vowels

30) The sound [w] is described as:

- Stops or plosives
- Fricatives
- Affricates
- Nasals
- Liquids

- **Glides/semi-vowels**

31) The sound [j] is described as:

- Stops or plosives
- Fricatives
- **Affricates**
- Nasals
- Liquids
- Glides/semi-vowels

32) The sound [g] is described as:

- **Stops or plosives**
- Fricatives
- Affricates
- Nasals
- Liquids
- Glides/semi-vowels

33) The sound [d] is described as:

- **Stops or plosives**
- Fricatives
- Affricates
- Nasals
- Liquids
- Glides/semi-vowels
