- **increase productivity and cost-effectiveness as well as improve qu\*\*\*\***
- make more money and give prestige to the translators
- help translators to overcome their cultural problems in translatio
- help translators to overcome their linguistic problems in transla\*\*\*

#### 44) Translators' mechanical tools and aids include

- dictionaries and technical encyclopedia
- reference books
- **type-writers, photocopying machines, word processors**
- stationeries

#### 45) In interpreting , time is

- **crucial**
- not crucial
- fairly crucial
- often crucial

#### 46) Translation Memory Technology

- allows the translator to use different types of prog\*\*
- helps the translator to translate effectively
- **allows the translator to store translations in a dat\*\*\***
- doesn't allows the translator to store translations

#### 47) Interpreting involves only

- written text
- **spoken text**
- spoken lexis
- written syntax

#### 48) Problems in machine translation can\*\*
